

SHORELINE REMEDIAL WORKS PLAN

Public event

Sagkeeng First Nation is undertaking a study of climate change and ongoing erosion issues in Sagkeeng. Part of this study will be highlighting areas most at risk of further land and infrastructure loss. A community consultation event will be held at the Sagkeeng Mino Pimatiziwin Family Treatment Centre on April 26th from 10am-2pm. Sagkeeng would like to invite all interested members of the community to attend this event, so as to provide valuable local input in establishing areas requiring protection.
