

# Quick Start Project

[Quick-start project is a project that can be implemented right away. Quick-start projects create enthusiasm and momentum and demonstrate to the entire community that the CCP process contributes real results and promote positive change. Being involved in the process is worthwhile]

## Call out for a qualified Carpenter

—fitting with the Community Planning aspect of community working for the community & moving us to positive change; a certified carpenter/Band Member will be selected for this work.

**“Driven by the people for the people.”**

CCP is accepting bids from qualified carpenters/Band Membership to build 2 community bulletin boards (1 carpenter to build both) that will be located at the following locations:

1. Community Entrance by the CFS Building, & by the community flower box.
2. By the community park adjacent to the Multiplex arena.

Contact person: Brenda Morrisseau, Ka Kina Ki Di Jamin Coordinator at the Band Office (204-367-2287) to submit your bid, the carpenter with

- a) Qualified/certified carpenter skills and
- b) appealing monetary offer to do the job,
- c) appealing time frame to do the work.

This is a contract, therefore payment is made upon completion of work. Building will begin as soon as a carpenter is selected.

Below is a sample of what the community members want for our community.
