

## Sagkeeng Anciniabe Community School Timeline

The project schedule and the revised timelines. The plan is to have the construction contract awarded in mid-October with construction activities to begin shortly after. The school will be substantially complete by May 2020 and will be open for classes in September 2020. The time in-between the substantial completion and opening will be used to fix any construction deficiencies and to move in all the furniture for the school.
