Notice of Bid Opportunity

Water and Septic System Repairs

Tender Bids are being accepted for the provision of Water and Septic Repairs for the 2019-2010 season.

Successful applicants must provide the following services:

- 1) In person assessment of each address at project sites – must be by a certified installer
- 2) Completion and timely submission of detailed paperwork
- 3) Performance of the actual repairs to specification as set out in the tender document in a timely manner.

If you are interested in this pick up the full bid documents at the DPW office.

Closing Date is November 2, 2018
