Management's Responsibility

To the Members of Fort Alexander Indian Band (o\la Sagkeeng First Nation):

The accompanying consolidated financial statements of Fort Alexander Indian Band (o\la Sagkeeng First Nation) (the "Nation") are the responsibility of management and have been approved by the Chief and Council.

Management is responsible for the preparation and fair presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of consolidated financial statements.

The Fort Alexander Indian Band (o\la Sagkeeng First Nation) Chief and Council are responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the consolidated financial statements. The Chief and Council fulfil these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Chief and Council are also responsible for recommending the appointment of the Nation's external auditors.

MNP LLP, an independent firm of Chartered Professional Accountants, is appointed by the Chief and Council to audit the consolidated financial statements and report directly to the Members; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Chief and Council and management to discuss their audit findings.

CAO

Independent Auditor's Report

To the Members of Fort Alexander Indian Band (o\la Sagkeeng First Nation):

Opinion

We have audited the consolidated financial statements of Fort Alexander Indian Band (o\la Sagkeeng First Nation) (the "Nation"), which comprise the consolidated statement of financial position as at March 31, 2019, and the consolidated statements of operations and accumulated surplus, change in net debt and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Nation as at March 31, 2019, and the results of its consolidated operations, consolidated change in net debt and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the operations to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Fort Alexander Indian Band (o\la Sagkeeng First Nation) Notes to the Consolidated Financial Statements

For the year ended March 31, 2019

1. Operations

The Fort Alexander Indian Band (o\la Sagkeeng First Nation) (the "Nation") is located in the Province of Manitoba, and provides various services to its Members. Fort Alexander Indian Band (o\la Sagkeeng First Nation) includes the Nation's government and all related entities that are accountable to the Nation and are either owned or controlled by the Nation.

2. Significant accounting policies

These consolidated financial statements are the representations of management, prepared in accordance with Canadian public sector accounting standards and including the following significant accounting policies:

Reporting entity

The Fort Alexander Indian Band reporting entity includes the Nation government and all related enterprises that are accountable to the Nation and are either owned or controlled by the Nation. The financial statements consolidate the financial activities of all entities and departments comprising the Nation reporting entity, except for Nation business entities. Trusts administered on behalf of third parties by the Nation are excluded from the Nation reporting entity.

The Nation has consolidated the assets, liabilities, revenues and expenses of the following entities and departments:

- Fort Alexander Indian Band CMHC Housing
- Fort Alexander Health Centre Inc.
- Fort Alexander Holdings Inc.
- George M. Guimond Care Centre Inc.
- Sagkeeng Administration
- Sagkeeng Education
- Sagkeeng Social Services
- Sagkeeng Capacity and Infrastructure
- Sagkeeng Employment and Training Services
- Sagkeeng First Nation Bingo Committee
- Sagkeeng First Nation Cultural Centre
- Sagkeeng First Nation Gaming Control Commission
- Sagkeeng First Nation Trust Fund
- Sagkeeng First Nation Video Lottery Committee
- Sagkeeng Memorial Arena Inc.
- Sagkeeng Band Capital and Capital Projects
- Sagkeeng Superstore

All inter entity balances have been eliminated on consolidation.

Basis of presentation

Sources of revenue and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

Cash resources

Cash resources include balances with banks. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

Investments

Investments are valued at cost.

Fort Alexander Indian Band (o\la Sagkeeng First Nation)

Notes to the Consolidated Financial Statements

For the year ended March 31, 2019

2. Significant accounting policies (Continued from previous page)

Inventory for resale

Inventory for resale is valued at the lower of cost and net realizable value. Cost is determined by the weighted average cost method. Net realizable value is the estimated selling price in the ordinary course of business, less estimated selling costs.

Funds held in Ottawa Trust Fund

Funds held in trust on behalf of members by the Government of Canada are reported on the consolidated statement of financial position as a component of restricted cash with an offsetting amount in accumulated surplus.

Trust moneys consist of:

- Capital trust moneys derived from non-renewable resource transactions on the sale of land or other Nation tangible capital assets; and
- Revenue trust moneys generated primarily through land leasing transactions or interest earned on deposits held in trust.

Tangible capital assets

Tangible capital assets are initially recorded at cost based on historical cost accounting records. Contributed tangible capital assets are recorded at their fair value at the date of contribution. No amortization is taken on construction in progress until the asset is put into use.

Amortization

Tangible capital assets are amortized using the straight line and declining balance methods at rates intended to amortize the cost of the assets over their estimated useful lives as follows:

	Years	Rate
Equipment and furniture	3-10 years	10-30 %
Community buildings	20 years	4-10 %
Computers	1-5 years	20-100 %
Infrastructure	40 years	2.5 %
Housing	20 years	5 %
Vehicles and heavy equipment	3-10 years	10-30 %

Long-lived assets

Long-lived assets consist of tangible capital assets. Long lived assets held for use are measured and amortized as described in the applicable accounting policies.

The Nation performs impairment testing on long-lived assets held for use whenever events or changes in circumstances indicate that the carrying amount of an asset, or group of assets, may not be recoverable. Impairment losses are recognized when undiscounted future cash flows from its use and disposal are less than the asset's carrying amount. Impairment is measured as the amount by which the asset's carrying value exceeds its fair value. Any impairment is included in the consolidated statement of operations for the year in which the asset becomes impaired.

Net debt

The consolidated financial statements are presented so as to highlight net debt as the measurement of financial position. The net debt is determined by financial assets less liabilities. Net debt is comprised of two components, non-financial assets and accumulated surplus.

Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets, prepaid expenses and construction in progress.

Fort Alexander Indian Band (o\la Sagkeeng First Nation)

Notes to the Consolidated Financial Statements

For the year ended March 31, 2019

2. Significant accounting policies (Continued from previous page)

Revenue recognition

Government transfer revenue, which includes, but not limited to, funding from ISC, FNIH, CMHC, Province of Manitoba, First Peoples Development Inc. and Solicitor General, is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements that relates to a subsequent fiscal period is reflected as deferred revenue on the consolidated statement of financial position in the year of receipt, and is matched with the related segment expenses in the year of their occurrence. Funding that is restricted for particular purposes is deferred and recognized when the eligible expenses have been incurred.

The Nation recognizes VLT revenue as the net win from gaming activities (the difference between gaming wins and gaming losses), consisting of slot machines, on a daily basis. Gaming revenue is net of commissions paid to Manitoba Liquor and Lotteries Commission. Management believes that it is appropriate to present these commissions net of gaming revenue as these amounts are fixed as per their agreement with Manitoba Liquor and Lotteries Commission.

Superstore sales and bingo revenue (net of prize payouts) is recognized when the services are provided or the goods are shipped and collection is reasonably assured.

Rental income is recorded in the year it is earned. At the end of the year, management evaluates the extent of the collectability of its rent revenue and records a bad debt expense and an allowance for doubtful accounts for amounts designated as unlikely to be collected.

Investment and interest revenue is recognized on an accrual basis in the period that it is earned.

Other revenue is recognized by the Nation, net of trade discounts and allowances, when a price is agreed, goods are shipped to customers, all significant obligations have been satisfied, and collectability is reasonably assured.

Employee future benefits

The Nation's employee future benefit programs consist of a defined benefit pension plan. The estimated future cost of providing defined benefit pension is actuarially determined using the guidelines set out in PS 3250, *Retirement Benefits*.

Plan assets have been measured at fair market value for purposes of the actuarial calculations. The discount rate used for the purposes of the actuarial valuation has been determined with reference to the expected plan asset earnings. The balance of unamortized gains and losses at the end of a fiscal year are amortized in the following year by dividing the amortized balance by the expected average remaining service life of the related employee group.

Financial instruments

Financial instruments include cash, accounts receivable, restricted cash, investments, bank indebtedness, accounts payable and accruals, ISC payable and long term debt. Unless otherwise stated, it is management's opinion that the Nation is not exposed to significant interest, currency or credit risk arising from the financial instruments. Unless otherwise stated, the book value of the Nation's financial assets and liabilities approximates their fair value due to the short term maturities of the instruments. The fair value of the Nation's demand loan and long term debt are approximated by its carrying value as the terms and conditions of similar instruments are not materially different from those associated with the Nation's current debt.

Fort Alexander Indian Band (o\la Sagkeeng First Nation)

Notes to the Consolidated Financial Statements

For the year ended March 31, 2019

2. Significant accounting policies (Continued from previous page)

Measurement uncertainty

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable are stated after estimates as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Inventory is stated after provisions are made for slow moving or obsolete inventory. Amortization is based on the estimated useful lives of tangible capital assets. Employee future benefits are based on actuarial estimates and assumptions as noted in note 7. Deferred revenue is recorded based on management's analysis of the extent to which eligibility requirements have been met on government transfer revenue.

These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in the consolidated statement of operations in the period in which they become known.

Segments

The Nation conducts its business through ten reportable segments as identified in Note 14. These operating segments are established by senior management to facilitate the achievement of the Nation's long-term objectives to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated to the segment on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of the segmented financial information.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in the Significant Accounting Policies.

Liability for contaminated site

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the Nation is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at March 31, 2019.

At each financial reporting date, the carrying amount of the liability is reviewed. Any revisions required to the amount previously recognized is accounted for in the period revisions are made. The liability continues to be recognized until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

Recent accounting pronouncements

Financial instruments

In June 2011, the Public Sector Accounting Board (PASB) issued PS 3450 Financial Instruments to establish recognition, measurement, presentation and disclosure of financial assets, financial liabilities and non-financial derivatives. As a result of issuance of PS 3450, there have been numerous consequential amendments made to other Sections. PS 3450 is effective for fiscal years beginning on or after April 1, 2021. Earlier adoption is permitted.

PS 3450 is applied prospectively in the fiscal year of initial adoption; therefore, financial statements of prior periods, including comparative information, are not restated. The Nation has not yet determined the effect of the new section in its consolidated financial statements.

Fort Alexander Indian Band (o\la Sagkeeng First Nation)

Notes to the Consolidated Financial Statements

For the year ended March 31, 2019

3. Investments

Investments include shares of Sun Life Financial with a value of \$74,510 (2018 - \$74,510) and a \$20,000 (2018 - \$344,000) investment in an annually renewable guaranteed investment certificate.

Sagkeeng First Nation Consolidated Revenue Trust Fund

The Sagkeeng First Nation Consolidated Revenue Trust Fund reports the assets related to the Manitoba Hydro agreement and accord dated March 21, 1997, and amendment dated January 8, 1998. The agreement and accord represents the Conservation Law proclaimed by the Nation and the Hydro Law and Process Law and established the Sagkeeng First Nation Consolidated Revenue Trust Fund. Trustees were appointed to administer the assets of the Fund.

Fort Alexander Health Centre Moveable Asset Reserve

The Fort Alexander Health Centre received Moveable Asset Reserve funding from FNIH and has set aside an amount of \$13,907 (2018 – \$163,907) for future movable asset replacement. This funding is externally restricted for the purchase of movable assets that qualify under the agreement between the Nation and FNIH. The account is underfunded by \$249,837 (2018 - \$45,933).

Ottawa Trust Fund

The Ottawa Trust Fund arises from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act. Revenue from the Ottawa Trust Fund is recognized in the year in which it is earned when it is measurable and collection is reasonably assured. Capital and revenue trust moneys are transferred to the Nation on the authorization of the Minister of Indigenous Services Canada, with the consent of the Nation's Chief and Council.

Capital Trust	\$315 (2018 - \$315); 2018 interest revenue - \$nil (2018 - \$nil)
Revenue trust	\$3,436 (2018 - \$3,327); 2018 interest revenue - \$109 (2018 - \$211)

CMHC replacement and subsidy surplus reserves

As required as part of the Nation's Canada Mortgage and Housing Corporation ("CMHC") Housing program, a separate bank account has been established for replacement of capital equipment and for major repairs to the houses. Under the terms of the agreements with CMHC, the replacement reserve must either be held in a separate bank account or invested in accounts or instruments secured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time.

Under the terms of the agreements with CMHC, excess federal assistance payments received must be retained in a subsidy surplus reserve. The reserve is to be comprised of monies deposited in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. These funds in this account may only be used to meet future subsidy requirements of income-tested occupants. As at March 31, 2019 the subsidy surplus reserve was overfunded by \$124,637 (2018 - underfunded by \$79,764). As at March 31, 2019 the replacement reserve was overfunded by \$1,49,542 (2018 - underfunded by \$283,986).

Fort Alexander Indian Band (o\la Sagkeeng First Nation)

Notes to the Consolidated Financial Statements

For the year ended March 31, 2019

7. Employee future benefits

The Nation provides pension benefits to its employees through a contributory defined best average pension plan (the 'Plan'), which covers most of the Nation's full time employees. This Plan provides pensions based on length of service and best average earnings. The Nation's policy is to fund the Plan as determined through periodic actuarial valuations. Contributions reflect actuarial assumptions regarding salary projections and future service benefits.

The Nation measures its accrued benefit obligations and the fair value of Plan assets as at August 31 each year. The most recent actuarial valuation of the pension plan for funding purposes was at August 31, 2018. The next funding valuations are required to be completed as at August 31, 2019. The actuarial valuation used for accounting purposes is an extrapolation of the August 31 valuations, brought to March 31 of each year, using best estimate assumptions adopted by management with the assistance of the Plan actuary.

Future funding requirements will depend on the results of annual actuarial funding valuations which are affected by various factors, such as actuarial experience of the Plan, return on Plan assets and interest rate fluctuations.

The membership data that was provided as at August 31, 2018 and used in the extrapolation were, in the opinion of the actuary, sufficient and reliable for the purpose of the extrapolation. The asset data used in the pension extrapolation are based on the reports of the Plan custodians: Great West Life.

The Nation intends to transition the Plan from a defined benefit plan to a defined contribution plan effective September 1, 2019. A number of assumptions and valuations need to be completed and approval is required by OSFI to finalize the ending values to be transferred, however upon transitioning the Plan, management estimates that approximately \$1,000,000 of the Plan surplus will be used to cover future pension costs of the Nation.

The components of the Nation's net benefit expense (credit) for its defined benefit plan pension plan are as follows:

	2019	2018
Pension and Post retirement expense		
Current service cost	701,702	683,113
Employee contributions	(164,295)	(162,491)
Interest cost	959,329	953,117

11. Long-term debt *(Continued from previous page)*

	2019	2018
RBC loan in regards to land settlement claim, repayable in interest only payments at prime plus .50%, due November 2019. The loan is authorized up to \$2,988,160 and is secured by an insurance policy. The loan is for professional services incurred to pursue a financial claim against the Government of Canada. The Nation expects to settle the loan by either a successful legal settlement with the Government of Canada or through an insurance policy in the case of an unsuccessful legal settlement. No assets have been recorded related to this matter.	2,536,448	2,380,827
	18,096,703	18,445,253

Principal repayments on long-term debt in each of the next five years, assuming long-term debt subject to refinancing is renewed, are estimated as follows:

2019-2020	1,103,200
2020-2021	973,100
2021-2022	818,200
2022-2023	814,400
2023-2024	825,400

12. Construction in progress

	2019	2018
ACS project	2,797,398	1,335,024
CMHC Construction in Progress	820,500	395,000
CMHC 6 unit project	-	1,392,288
	3,617,898	3,122,312

Fort Alexander Indian Band (o\la Sagkeeng First Nation)
Notes to the Consolidated Financial Statements
For the year ended March 31, 2019

13. Accumulated surplus

Accumulated surplus consists of the following:

	2019	2018
Equity in Ottawa Trust Funds	3,751	3,642
Invested in Tangible Capital Assets	45,532,008	47,182,118
CMHC replacement reserve	1,233,997	1,289,016
CMHC subsidy surplus reserve	-	173,082
Moveable asset reserve	263,744	209,840
Unrestricted accumulated surplus (deficit)	(2,300,762)	(3,271,913)
	44,732,738	45,585,785

14. Segments

The Nation has eight reportable segments. These segments are differentiated by the major activities or services they provide. The Nation's segments are as follows:

Administration - includes administration and governance activities.

Education - includes the operation of education programs.

Community Wellness - reports on the Nation's funding related to health and wellness.

Social Assistance - includes delivering social programs.

Community Infrastructure - includes activities for the maintenance of the community and its infrastructure.

CMHC Housing - includes activities related to the development and sustainment of on-reserve CMHC housing.

Employment and Training - employment services to assist community members to find and maintain meaningful employment.

Economic Development - other Nation programs not funded by ISC or FNIH, including its commercial operations.

Gaming - includes the Nation's VLT and bingo operations.

Telecommunications - currently includes the Wolf fm radio and in the future it will also include the services of internet and telephone.

Inter-segment transfers are recorded at their exchange amount. The accounting policies of the segments are the same as those described in Note 2.

Fort Alexander Indian Band (o\la Sagkeeng First Nation)

Notes to the Consolidated Financial Statements

For the year ended March 31, 2019

15. Economic dependence

The Nation receives substantially all of its revenue from Indigenous Services Canada (ISC) and First Nations and Inuit Health (FNIH) as a result of Treaties entered into with the Government of Canada. These Treaties are administered by ISC under the terms and conditions of the Indian Act. The ability of the Nation to continue operations is dependent upon the Government of Canada's continued financial commitments as guaranteed by these Treaties.

16. Contingent liabilities

The funding agencies may disallow certain expenses, deeming them to be ineligible. Adjustments, if any, for disallowed expenses will be accounted for in the year of determination.

The Nation has several lawsuits outstanding as of year-end, including four wrongful dismissal claims in excess of \$280,000, one caveat on land title, two related to outstanding invoices totaling \$33,500, one claim for withheld tobacco tax rebates for \$133,000, and one human rights complaints, none of which the outcome or potential liability can be reasonably determined, and therefore no accrual has been made.

17. Provision for site rehabilitation

The Manitoba Environmental Protection Act sets out the regulatory requirements to properly close and maintain active and inactive lagoon and landfill sites. Under environmental law, there is a requirement for closure and post closure care of solid waste lagoon and landfill sites, including covering and landscaping and ongoing environmental monitoring, site inspection and maintenance.

As directed by PS 3270, a liability must be recognized beginning when the landfill and lagoon are first in operation to the date they are inactive. The liability for closure and post-closure care is recognized as the site capacity is used to the extent of the proportion of site capacity used compared to the estimated total expenditure required for closure and post-closure care.

The estimated total expenditure represents the sum of discounted future cash flows associated with closure and post-closure care considering current technology, the length of the post-closure care period and current environmental regulations. Expenditures that relate to an existing condition caused by past operations, and which do not contribute to future asset service potential, are expensed in the current year.

At year-end, the extent to which the Nation is bound by environmental laws of The Manitoba Environmental Protection Act was not determinable, and therefore, no liability has been recorded in these consolidated financial statements.

18. Budget information

The disclosed budget information has been approved by the Chief and Council of the Nation.

19. ISC revenue reconciliation

The ISC revenues of \$35,786,740 (2017 - \$32,551,917) on the consolidated statement of operations and accumulated surplus agrees to the ISC confirmation.

Fort Alexander Indian Band (o\la Sagkeeng First Nation)
Notes to the Consolidated Financial Statements

For the year ended March 31, 2019

20. FNIH revenue reconciliation

The FNIH revenues of \$6,852,256 (2018- \$6,801,075) on the consolidated statement of operations and accumulated surplus agrees to the FNIH confirmation.

21. Comparative figures

Certain comparative figures have been reclassified to conform with current year's presentation.
