Memo

To: Sagkeeng First Nation Band Members
From: Crissy Courchene, Education Director
cc: Murray Courchene, Transportation Supervisor
Date: September 4, 2019
Re: Sunrise School Transportation

Please be advised that effective immediately, Sagkeeng Education Authority Transportation Department, will no longer be transporting students to any Sunrise School District location, ie., Powerview school, etc...

Any student needing transportation to that location are to contact Sunrise School Division directly. To make arrangements for pick and drop-offs. As it is their responsibility to ensure the attendance of their students. Each school district, receives funding for students registered within their school system.

Therefore, Sagkeeng First Nation ONLY receives funding for band members that are registered within our school system.

We hope this clarifies any confusion regarding transportation for our band members.

We wish everyone a good school year!

Miigwech,

Sagkeeng Education Authority
