

Covid 19 Daily Situation Report

FRIDAY, SEPTEMBER 25, 2020

No new positive Covid 19 results reported in Sagkeeng First Nation as of today.

The number of positive results for Sagkeeng First Nation has not changed and therefore remains at two.

Of the two positive cases, both are now considered recovered.

Daily active monitoring, completed by nurses, will be continued until all contacts are off self-isolation.

All nurses remain on call.

Continue to hand wash, mask, and practice social distancing.

Stay safe.
