Dear Family Members & Friends:

RE: Suspension of Visits

As you are probably aware, Sagkeeng First Nation has escalated their pandemic response to the Orange Zone. Due to this escalated community response, there will be a short-term suspension of visits at our Home.

We will revert back to virtual visits for this short duration. If you wish to make an appointment for a virtual visit, please call 204-367-2245.

The safety of your family member and staff is important. Residents' key contacts will be advised once we are able to resume visiting. We appreciate your continued patience and understanding and we will provide an update by November 9, 2020.

If you have any questions or concerns, please contact the Administrator or Director of Resident Care at 204-367-2245.

Sincerely,
