

## School Announcements

**November 12, 2020**

Our First Nation has recently moved to Code Red therefore, SEA is organizing our efforts in providing essential services to our students during this time. Education Response Plan follows our Nations - Code Red Procedures to ensure the safety and well-being of our community.

We will continue to deliver our students their at-home learning packages as scheduled. Our Remote Teams will be scheduled accordingly to ensure that all packages; at-home work and nutritional care packs are delivered on a timely manner. Teachers will continue to be made available for the at-home work packages and to make sure that student support continues.

We are currently in the process of setting up and being able to offer our students online learning option. In the next few weeks, all students registered in our school system, will be receiving technology supports for their online ixl.com curriculum school work. This learning option will provide our students access to essential learning resources that focus on core curriculum of ELA and Math as per their grade level.

Each student registered in our school system to receive a tech device;

- ACS (N-Gr. 8) – iPads & Tablets
- SJHS (Gr.5-8) – iPads or Chromebook
- SAHS (Gr.9-12) – Laptops or Chromebook

Each home with a student, will receive FREE unlimited data, via wi-fi hub from Rogers. The schools will be distributing the devices as per their student list.

All employees, please ensure that you are communicating directly with your immediate supervisor for further instructions and for supports to help administer our SFN Pandemic Policy as needed.

On behalf of Sagkeeng Education Authority, please be safe in your bubble and continue to practice social distancing when out in public, wash your hands frequently, wear your mask, and take care of each other!

Meegwetch,

Crissy Courchene, M.Ed.  
Director of Education
