UPDATE

There continues to be a small number of reported active cases of COVID-19 in the community. Currently, there are [??] cases; however, these are only reported cases. Due to testing being limited to take-home rapid tests, the health centre's monitoring of cases in the community is limited to those reported by community members.

IMPORTANT UPDATE ON THE HAMPER PROGRAM

Yesterday was the last day that food hampers were given out to families who have tested positive for COVID-19. In order to avoid food spoiling and being wasted, all the food that is still good to eat will be given out on **Thursday, May 5th at the Band Hall from 10:00am – 2:00pm**

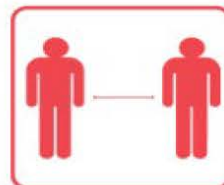

PREVENTION
