

# Sagkeeng Early Years Teaching Opportunities Grade 2 Teacher

## POSITION OVERVIEW

Reporting to the Early Years School Principal the teacher shall be an educational leader in the classroom and ensure that the School's Programs and curricula are implemented in a way that maximizes student-learning experiences. The Teacher will be responsible for working with other educational staff and shall provide supervision and evaluation of all students within his/her teaching assignments while working within an established framework for the delivery of educational services which support the School's Programs.

## DUTIES:

- Work collaboratively with administration and other educators to plan, organize, and adapt lessons to meet the needs of the students while meeting the requirements of the curriculum for the subjects taught,
- Prepare subject material and course content for presentation according to the approved curriculum,
- Assess students' skills to determine their needs and to develop appropriate teaching plans,
- Teach students through lectures, discussions, audio-visual, and virtual training presentations as well as laboratory, shop and field studies as required,
- Develop appropriate evaluation methods,
- Work with students as required either in a one-on-one, small group or whole group setting and shall provide tutoring assistance and support to assist the student's academic success,
- Ensure the students have a positive, and encouraging classroom and learning environment and a healthy educational experience,
- Develop, prepare, administer and correct tests or other appropriate evaluation methods,
- Evaluate the progress of students and discuss student's progress with parents, counsellors, administration and school officials as required,
- Participate in staff meetings, educational conferences, teacher training workshops, and other activities as required and assigned,
- May require working extracurricular hours,
- Other duties within scope of the position as required.

## QUALIFICATIONS:

- Bachelor of Education preferred, though a combination of relevant education, training, and experience may be considered,
- Must be certified or eligible for certification by Manitoba Education,
- Several years' experience working with children, youth, and teens in an educational setting,
- Experience working with children with special needs is an asset,
- Ability to comply with written or oral instructions,
- Proven ability to create an efficient working relationship with other education personnel,
- Excellent written, verbal and interpersonal communication skills,
- Ability to work collaboratively with others in a participative environment or independently as required,
- Familiarity, experience and comfort with the subject material they are to teach,
- Attention to detail and the ability to write and present detailed reports,
- Proficient in maintaining efficient classroom management,
- Highly motivated and committed to student learning,
- Good team work ethics and ability to act as a role model to youth and as such it is imperative that you are living a healthy, drug-free lifestyle,
- Superior communication skills,
- Ability to work with minimal supervision,
- Posses good working ethics and habits (punctuality and attendance)
- Ability to maintain confidentiality with respect to all matters pertaining to students, staff and families in all verbal and written communications,
- Experience in conflict resolution is an asset,
- Clear criminal record and abuse registry checks,
- Valid driver's licence and a reliable automobile.
