

EMPLOYMENT OPPORTUNITY

CENSUS 2021 REQUIRES THE FOLLOWING POSITIONS

Crew leader (supervisory) - 1 Position

Crew leaders work full-time and schedules vary, with most of the work being in the evening and on weekends. They are paid \$21.77 per hour, plus eligible expenses.

Start Date, March 8, 2021 – End Date, August 6, 2021.

As a **crew leader**, you will:

- train, lead and supervise a team of up to 18 enumerators
- monitor the progress and productivity of your team
- call or visit people in your area to work with them to complete a census questionnaire
- receive and ship questionnaires and other census documents.

Enumerator (non-supervisory) - Approximately 10 positions

Enumerators work part-time and schedules vary, with most of the work being in the evening and on weekends. They are paid \$17.83 per hour, plus eligible expenses. In select Northern and remote communities, enumerators are paid \$29.25 per hour.

Start Date, April 30, 2021 – End Date, July 30, 2021.

As an **enumerator**, you will:

- collect questionnaires from households
- capture addresses and drop off letters inviting residents to complete their census questionnaire online
- follow up with respondents by calling or visiting people in your area to complete a census questionnaire
- ship completed questionnaires.

There will be some travel required. Crew Leaders will do a bulk of their work from home. The ideal candidate should reside on reserve.

All training for the positions is paid and will take place online and/or over the phone.

We are encouraging anyone who is interested to apply online at ww.census.gc.ca. The application process is simple and straight forward. At this moment we are specifically looking to fill a Supervisory position (Crew Leader) in the Sagkeeng area. We are aiming to hire 100% local for this Census, so the ideal candidate would live right on the reserve.

If you are interested in either positions please contact Laurie Guimond @ 204-340-7711.
