

Looking for a job that can turn into a rewarding lifelong career? Manitoba Hydro is recruiting now for our trades training programs.

Join us on March 2, 6:00 - 8:00 p.m. for a virtual trades information session for Indigenous Peoples.

Content will include an overview of our trades training programs - Power Line Technician, Power Electrician, Mechanical Technician, Natural Gas Service Person and our Indigenous Pre-placement Programs. You can join the session with an internet browser to view the video or by telephone (audio only).

Register to join this virtual trades information session by completing the form below and forwarding it to employment@hydro.mb.ca with subject line "Manitoba Hydro trades info session for Indigenous Peoples". Prior to the event, a Microsoft Teams event link and instructions to join by internet or telephone will be emailed to you for the session.

Name:
Email address:
Are you an Indigenous (Aboriginal) Person? Y/N:
