UPDATE

One new case has been identified and there have been no recoveries, which brings our active number of cases to two. We have not confirmed if this new case is a variant of concern and contact tracing is still being completed.

Another vaccine clinic was completed today. Additional clinics will be available for Sagkeeng residents in the weeks to come. Dates and details TBD – please keep an eye on the Sagkeeng Health Centre Facebook page and Wolf FM for updates as they become available.

PREVENTION

WASH YOUR
HANDS
WITH SOAP
AND WATER

USE HAND
SANITIZER
WHEN OUT
IN PUBLIC

KEEP TWO
METRES
DISTANCE
