## UPDATE

### PLEASE NOTE:

This report covers the period from April 30 to May 5.

Six new cases have been identified in the community since Friday April 30 and there have been no recoveries as of yet, which brings our number of active cases to 8.

Three of these cases have been confirmed as variants of concern – one has been confirmed as the B117 strain and two are unspecified.

A vaccination clinic is being planned for this Friday, May 7, 2021 from 10:00am to 2:30pm at the band hall. Please help the community fight COVID-19 by getting vaccinated.
