**Second call to help us learn more about health needs in the community!**

**Sagkeeng Chief and Council and the Sagkeeng Health Centre are asking again that all Band Members complete a confidential survey to help us understand both the impact of COVID-19 as well as ongoing health needs.**

**Complete this important health survey and we will send you Wolf Bingo Tickets!**

You can answer this survey as long as you are 18 or older, did not already complete this survey in February or March AND either live in Sagkeeng First Nation or are a Band Member, no matter where you live.

**We need to learn more about:**

- How you are feeling right now.
- Challenges with COVID-19.
- Ongoing health challenges and needs.

The survey contains many questions, so please plan a time when you have about 20 minutes to complete it.

This survey is **confidential**, and your name will not be linked with any answers.
